EDUCATION

Graphic Era Deemed To Be University,Dehardun   2021-2025
Bachelor of Technology In Computer Engineering   *CGPA 8.78*

New Tehri International School   2021
12th Standard Non-Medical Science   *91*

PROJECTS

Movie Recommendation System | May 2024 – June 2024
- Implemented Movie Recommendation Sytem using Streamlit and machine learning models.
- Implemented content-based filtering algortihm for movie recommendations.
- Implemented pickle for data loading and precprocessing.

Text Classification | January 2024–Feburary 2024
- Implemented natural language processing(NLP) using sklearn.
- Data extraction using TfidfVectorizer(sklearn library).

TECHNICAL SKILLS

Languages: C/C++, Python, Java(Basics), JavaScript, HTML, CSS
Frameworks: React, Node.js, Express.js
Databases: MySQL, MongoDb(Basics)
Developer Tools: Github, VS Code, Jupyter Notebook, PyCharm, IntelliJ, Eclipse
Machine Learning: Supervised Learning, Unsupervised Learning

UNDERGRADUATE COURSEWORK

Data Structures Algorithms, Design and Analysis of Algorithms, Object Oriented Programming, Operating System, Database Management System, Machine Learning, Computer Networking, SDLC.

STRENGTHS

Self-motivated, Quick learner, Leadership, Team Player.
